**Details**

ASCEND is a 6 day camp with a whole lot of fun in store. You will build aircraft parts, learn the basics of what being a pilot is all about, and even get to take a flight at the end of the week!

---

**Purpose**

The EAA chapter 1083 wants to help influence future generations to love aviation as much as we do. We plan on exposing all aspects of aviation to the campers and help introduce the many wonderful career options available in today's times.
